

NATIONAL HEALTHCARE DECISIONS DAY

★ *your decisions matter* ★

St Peter's Health Care Services, along with over 700 other national, state and community organizations, is proud to participate in the fourth annual **National Healthcare Decisions Day** which will be celebrated on **April 16, 2011**.

The National Healthcare Decisions Day Initiative is a collaborative effort of national, state and community organizations committed to ensuring that all adults with decision-making capacity in the United States have the information and opportunity to communicate and document their healthcare decisions.

The theme for this year's NHDD is "**Leading by Example**." It will be our goal to encourage all SPHCS employees to complete their own advance directive so that we may be better equipped to answer questions and assist patients in completing their advance directive.
