Area residents interested in learning more about important health care decision-making are invited to stop by information tables in the Petrie Conference Room area from 9 a.m. to 3 p.m. April 14 at Arnot Ogden Medical Center in Elmira.

Attendees of Healthcare Decision Day can review pertinent paper work for advanced health care decisions and get assistance with completing those documents, according to a news release. Staff from the organization's Medical Social Work department will be on hand to answer questions.

Topics to be covered include Do Not Resuscitate orders, power of attorney, living wills, health care proxies and organ and tissue donation.
