

# MOLST Trainers

This is a directory of certified MOLST Trainers throughout New York State. The directory is meant to provide New Yorkers with access to individuals trained in the MOLST Program and willing to do MOLST training for others in their local area. For the purposes of this directory, New York has been divided into nine main areas: the Rochester area, Western New York, the Southern Tier, Central New York, the Utica – North Country Region, the Capital District, the Hudson Valley, New York City, and Long Island. We are in the process of developing an interactive New York State map with improved search functionality to find appropriate MOLST Trainers for your community or facility. In the interim, please utilize this list. If you are interested in becoming a MOLST Trainer, please complete this brief [volunteer information survey](#). If you have questions about MOLST Trainers or the MOLST Program, please [Contact Us](#).

## Rochester Area

**Counties Include: Livingston, Monroe, Orleans, Seneca, Wayne and Yates**
